# Develop ONC Work Plan

---

- Focus on the three PIN priorities for achieving Meaningful Use:
  1. **E-prescribing**
  2. **Receipt of structured lab results**
  3. **Sharing patient care summaries across unaffiliated organizations**

# Ensure All Eligible Providers Have ONE Option

---

- 1. E-prescribing**
- 2. Receipt of structured lab results**
- 3. Sharing patient care summaries  
across unaffiliated  
organizations**

# Breakthrough Goal

---

- Breakthrough Goals and Associated Measures
  - A **bold, audacious** statement of achievement that lives beyond the State HIE Cooperative Agreement program period.
  - How will the goal lead to health improvement in 2011?
  - How will progress be measured in 6 months, 1 year and 5 years?

# National Strategy for Quality Improvement in Health Care—March 2011

---

- Making care safer by reducing harm
- Ensure patient and family engagement
- Promote effective communication and coordination of care
- Promote prevention and treatment for leading causes of mortality, starting with CVD
- Work with communities to promote wide use of best practices for healthy living
- Making quality care more affordable

# Potential Audacious Goal

---

- California's Foster Children
  - Foster Children represent one of three use cases identified by CHHS HIE Policy Committee
  - Foster Children are represented as a vulnerable population in the SMHP
  - Child Welfare Council has done significant work to address issues faced by Foster Children
